Hi!

My name is Greg Rowe, and I am looking for a position in the Electronics or Information Technology field. I am a self-motivated and self-starting individual. I believe that I have the skills and drive that you are looking for!

I have completed a Bachelor of Science Degree in Information Technology from the University of Phoenix, and I have five years experience in general I.T. Functions, working for small businesses as an I.T. Consultant.

I also have 20 years professional experience in Aerospace and Commercial Electronics and computers. You can see more about my skills and abilities by perusing my website at:
